

Antibody

Napalm Death

Showering with your respect
Luring all with trinkets
Benefits are in effect
Take time to reflect
on all true commitments
Now the big-noise reject
Communication breakdown
You shrug off the resolve
Riddled with the cancer
How does your life revolve ?
Loser of integrity
Antibody gives new release
Relieves the pain of being sincere
Important to maintain the ties
Mentor in the public's eye
Scandal could expose the lie
A shadow of your former self
reaping the rewards
no scam too outrageous
when there's more
to be fought for
Poisonous snake with a persuasive gaze
Predatory guru with promises of gain
His antibody is a painless extraction
of all the principles he once stood fast On
