

## Bled Dry

## Napalm Death

Sucked up eyesore  
bleeding you dry.  
Dragged down deep,  
gut fuck breakdown.

Bled dry.

Take you and use you,  
lose you I forget you.

Side on swallow,  
licked but I can't taste;  
spat out still whole,  
it's nothing but waste.

Bled dry.

Take you and use you,  
lose you I forget you.

Sweat, shake, die, now I want it all.  
Pore deep blowout burst bite haul.

Take you and use you,  
lose you I forget you.
