

Circle of Hypocrisy

Napalm Death

Talk of unity - a far cry from the slander and rivalry
Why should we encourage what in fact is a circle of hypocrisy

Impulsive jealousy
Where;s the so-called harmony?
Internally untrusting
Externally inspiring

Assume your place above the rest
The wisest of the less
The knowledge you'll never possess
Compensated for with single-mindedness

Bored with life you turn to test
Battleground for pettiness
Pick at flies to justify
Temper's raised - You wonder why?

Why??

Supposedly Accessible
Come support our scene
Just another target
Harassed to the extreme
