

## Emotional Suffocation

## Napalm Death

So this ordeal we're subjected to  
Is all part of being (in) love?  
Two minds of intense confusion  
Contained in feelings of spite and mistrust

The closer one of us tries to get  
The further the (other) seems to move

Tangled in trapped emotions  
Can't face the prospect of rejection  
Uncertainty arouses suspicion  
Of your mind I want possession

I try to be honest with you  
But are you being honest with me?
