

## Instruments of Persuasion

### Napalm Death

A farce - so sincere  
A farce - so austere  
A farce - heartfelt pleas  
A farce - shock and awe to force a retreat  
Ten thousand corpses in the wake of his whims  
Count many thousands more on the way to obedience  
Duty - to uphold  
Duty - to make bold  
Duty - purity so skewed  
Duty - break out the arms, don't spare the rod.  
Ten thousand corpses in the wake of his whims  
Waves and flashes smiles, with the gall of an unmarked  
man

Instruments of persuasion  
Instruments of persuasion  
Rallying calls to the wilfully blinkered  
Hands on the heart and heads in the sand  
Instruments of persuasion  
Instruments of persuasion  
Stand shoulder-to-shoulder and win the bonanza.  
A sweetener from death to get back in the good books
