

## Leper Colony

## Napalm Death

Depravity, feral traits  
- line drawn in the dirt  
Dense unconscious streams,  
it seems - line drawn in the dirt  
Our inconsistencies  
in singling out the human

Line drawn in the dirt

Smack us senseless through a lens  
- least for the lesser  
Burden's fit for scabrous waifs  
- least for the lesser  
Let the unsophisticated go unheard.

Least for the lesser

Line drawn in the dirt  
Least for the lesser

Sweep back to the recesses  
of furthest thought  
Recoil and blank out the atrocities  
meted out

Disembodied, disenfranchised  
- introverted understatements.

Relax in the sheltered neutrality  
of furthest thought  
As observers we trivialize the  
cruelty meted out
