

Nom de Guerre

Napalm Death

An Alias, it's how I'm known
A sideshow to a great unknown
My best side is the furthest from...me!

A nobody
In all my exertions
Eking out an era

Undermined, Underling
I'm sub-standard without a name

A somebody
I'm since endowed
Clambering across the feeble

Unrivalled, unequalled
Peerless standards around my name

Undermined, Underling
Kept behind so you would
thirst for prestige
Unrivaled, unequalled
Selected, refined
- stand and applaud
