Nappy Roots

Put your head against my life
What do you hear
A million words just trying to make
Love song of the year

Close your eyes but don't forget
What you have heard
A man just trying to say three words
Words that make you scared

A million love songs later
And here I am trying to tell you that I care
A million love songs later and here I am
A million love songs later and here I am

Looking to the future now
This is what I see
A million chances pass me by
A million chances to hold you

Take me back, take me back
To where I wanna be
Hide away from all my truth
Through the light I see

A million love songs later
And here I am trying to tell you that I care
A million love songs later and here I am
A million love songs later and here I am
Oh yeah, oh girl, and here I am
A million love songs later and here I am
