

Amarok - Zorn des Lammes III

Nargaroth

I have seen the wrath of the land.
Cause I am a real life wolf among the sheep.
I was a part of the wrath of the lamb.
So I am a part of the wolf.
I am the wolf. I am the lamb.
So I am Satan in thy wrath.

Call me a judas, call me insane.
But I am what I am, I'm just a man.
Call me a judas, call me insane.
But I am what I am, I'm just a man.

I have seen the wrath of the land.
Cause I am a real life wolf among the sheep.
I was a part of the wrath of the lamb.
So I am a part of the wolf.

I am the wolf. I am the lamb.
So I am Satan in thy wrath.
Call me a judas, call me insane.
But I am what I am, I'm just a man.
Call me a judas, call me insane.
But I am what I am, I'm just a man.

I have seen the wrath of the land.
Cause I am a real life wolf among the sheep.
I was a part of the wrath of the lamb.
So I am a part of the wolf.

I am the wolf. I am the lamb.
So I am what Satan is for god.
Call me a judas, call me insane.
But I am what I am, I'm just a man.
But I am what I am, I'm just a man.

I have seen the wrath of the lamb.
Cause I am a real life wolf among the sheep.
I was a part of the wrath of the land.
So I am a part of the wolf.

I am the wolf. I am the lamb.
So I am what Satan is for god.
I am the wolf. I am the lamb.
So I am what Satan is for god.
Call me a judas, call me insane.
But I am what I am, I'm just a man.
Call me a judas, call me insane.
But I am what I am, A fuckin' man.
