

Be Dead or Satanic

Nargaroth

The Gates are open -
War awoken -
to end up all the Terror -
under the Sign of Crescent.

Life inside is Terror -
Sympathy is Error -
When you search for God -
you might find blind a frog.

Be the lethal Rebel -
be your only God -
and the Law - do what you want -
may be the only Creed.

So be dead or Satanic -
set your Life in Panic -
if you believe in social Crap -
you are already dead.

It seems not to be in Love with Satan.
To free your Soul from social and moral Limitations.

A chained Soul will kill you someday!
a caged Mind gonna wither away!
Be dead or Satanic may be the Way!
Nothing left to say!
