

Semper Fi

Nargaroth

Wherever I may roam
Wherever I am home
I take this art with me
In all eternity

Wherever I will bleed
My faith I always keep
My visions only lead
Me to my art, my own creed

Wherever then I die
Buried and rotten lie
Whenever my mom will cry
Black Metal - Semper Fi

If ever I should fail
With Pequod all oceans I'll sail
As Ahab I chase The Whale
Through my occult veil
