The Golden Child chop that ass up, you was holdin out  
Let the streets be the court - and corners hold the trial  
Fatal not fictitious  
I rock the cable 86, foreign cars young with crazy bitches  
Mad smoke makes me able to quote  
Solicitin, ill editions of that Murder I WRote  
A provocative plan, can bring a knot to my hand  
As the pyramids that stand on top of the sand  
In the heat of the moment, like Farrakhan said, we need atonement  
Bulletproof glass, S-classes, chrome kitted up  
Cali ?? lit it up  
I didn't get touched checking my nuts, I stood up and lit a Dutch  
Clutchin gats quick to bust  
But knowin how these niggaz tattle  
I sneak move get the drop, one shot, without the gun battle  
So when you run the lead travel

I come through it's taboo  
Ninety-six ways made to clap you

Nas is comin, Nas is comin  
Nas is comin.. (Nasty Nas is comin) Nas is comin  
Nas is comin, Nas is comin  
Nas is comin.. (Nasty Nas is comin) Nas is comin

In the black limo, Jack Daniels through the cracked window  
I spot the fake, red dot his face, like a Hindu  
Snatched the symbol, tied his hands too  
Make examples, substantial amounts you owe, to the fam  
Crew, Firm affiliation, paper chasin  
Chips glossy, rich Pablo Escabano  
Sophisticado, Blazin hollows like Saddles  
Rap apostle, nacho cheese, I'm Castro  
compared to these niggaz who swear to be real  
but impostors to Hoffa, Nas plague kills  
Countin bills to send to all my jail niggaz who fell  
From New York to L.A., Q.B. to C.P.T. for G.P.  
A hundred G cars, Garcia Vegas cigars  
Kani shit, mad jiggy  
The clout, murder material serial scratched out  
My name's passed out like it's somethin venereal  
but back in stereo

Nas is comin, Nas is comin  
Nas is comin.. (Nasty Nas is comin) Nas is comin  
Nas is comin, Nas is comin  
Nas is comin.. (Nasty Nas is comin) Nas is comin

From childbirth to hearses, flow like the Nile cover surface  
I bit the fruit from the Serpent  
Apocalyptic, get bent, stay splifted  
Control the rap game you got it twisted  
Dr. Dre way the 'Bridge say, shake dice and kiss it  
Sip Crist', push the six with biscuit  
Jeep full of chickens, pull up beside, have a listen y'all, Nas y'all  
Fly gangsta, wavy hair teeth chipped in  
My shit bump, in the courtroom drunk, links truck  
rocky bracelet, cognac kernel never chase it  
Rap hero, black DeNiro  
Federal Bureau, tapped my line and got zero  
Rap pro, diamond roll, hustlin low -  
pro-file, white gold style, rakin bloody dough by the pile  
Shot down, still alive he strugglin for the phone  
Fo'-fo' blow him, when homicide comes, these three words are sung

Nas is comin, Nas is comin  
Nas is comin.. (Nasty Nas is comin) Nas is comin  
Nas is comin, Nas is comin  
Nas is comin.. (Nasty Nas is comin) Nas is comin  
(2x)
