

## Project Roach

Nas

It is absolutely silly and unproductive to have a funeral for the word nigger when the actions continue we need to have a movement to resurrect brothers and sisters not a funeral for niggers cause niggers don't die

Ugh yeah yo I'm creepy and crawling  
In your sink or your toilet  
I'll be drinking from your spit  
Anything cause I'm more less an insect with 4 legs  
People come and I fake dead  
Correction I got 8 legs  
Climbin on top your plate bed  
Where ever I smell food  
It could even jail food  
Stale food that's molded  
A roach is what I am fool  
The ghetto is my land fool  
I'm a never be able to fly like a bumblebee

Try not to be underneath  
Your sneaker  
Pitiful creature  
I'm not afraid of your pesticide  
Or ray  
Cause in heavens my creator  
I love it when the lights off  
Eating from same knives forks  
From any mans dinner  
See my antennas  
You can't win  
You can't stand the crunchy sound I make if you squash me  
Learn to live with me  
How much your roast? costing  
You and the city  
But yo we everywhere  
Check your house I bet we there
