

Going Down Swinging

Nashville Pussy

Going down swinging Baby can't you hear me Going down swingin'
You're gonna hate to kill me

I can take a lickin And I'll come back kickin I'm kentucky frie
d But I ain't no chicken

Going down swinging Baby can't you hear me Going down swingin'
You're gonna hate to kill me

Well I make more noise Than any one in the land Till they take
this guitar From my cold dead hands

Going down swinging Baby can't you hear me Going down swingin'
You're gonna hate to kill me

Going down swinging No one hits harder No one hits harder No on
e hits harder than me !

Going down swinging Baby can't you hear me Going down swingin'
You're gonna hate to kill me

Going down swinging No one hits harder No one hits harder No on
e hits harder than me
