

Keep On Fuckin'

Nashville Pussy

Keep on f**kin'
Well, it's God's first commandment
Keep on f**kin'
Even a dog can understand it

Keep on f**kin'
Well, of all the things I say to you
Keep on f**kin'
It's the only one you'll go and do

Hit it

Well, listen up baby, I'll tell you just how things are, yeah
And the best thing about is that you don't even have to be smart, no
Because if you take all you want or just what you need

Don't give a damn, or obsessed with greed
If the world kicks your ass, or gently leads you by the hand
There's just one thing we all understand and that's

Keep on f**kin'
Well, it's God's first commandment
Keep on f**kin'
Even the dogs understand it

Keep on f**kin'
Well, of all the things I say to you
Keep on f**kin'
It's the only one you'll go and do

Go, some people seem to love their grief
Yeah, but I got a little secret that'll outlast all of your beliefs, hah
If you're the world's greatest sinner, or pray every day

Talk all the time or ain't got much to say
Don't worship nothing or something I can't pronounce
There's only one thing that ever really counts

Keep on f**kin'
Well, it's God's first commandment
Keep on f**kin'
Even the dogs understand it

Keep on f**kin'
Well, of all the things I say to you
Keep on f**kin'
It's the only one you'll go and do

Yeah, keep on f**kin'
Well, it's God's first commandment
Keep on f**kin'
Even the dog can understand it

Keep on f**kin'
Well of all the things I say to you
Keep on f**kin'
It's the only one you'll do and do

Yeah, yeah, yeah, yeah, yeah
Keep on f**kin'
Keep on f**kin'

Yeah, yeah, yeah, yeah, yeah, yeah
Keep on f**kin'
Keep on f**kin'

Yeah, yeah, yeah, yeah, yeah, yeah
Keep on f**kin'
Keep on f**kin'

Yeah, yeah, yeah, yeah, yeah, yeah
Keep on f**kin'
Keep on f**kin'

Keep on f**kin'
