

She's Got The Drugs

Nashville Pussy

She's got the goods to get me goin'
She's got a forty five
She's got a pack of rubber lovers layin in the backyard
mother don't keep 's alive

She's got the drugs
She's got the drugs
and she's got me

Never wanted to go here
I never wanted to stay here
... But the pack of rubber lovers layin in the backyard
It do the shits goin' run

She's got the drugs ...
She's got the drugs ...
and she's got me

She's got me goin ...
got a forty five
Got a pack of rubber lovers layin in the backyard
mother don't keep 's alive

She's got the drugs ...
She's got the drugs ...
and she's got me
