

Speed Machine

Nashville Pussy

Hey everybody I'm king gearjammer
Racing out of lower Alabama
Foot to the floor baby I'm flying
Gonna kill myself or die trying Hey

Cause I'm a speed machine
Baby baby baby yeah
I'm a speed machine

Shut up world and do what I say
And watch as I pull away
Good luck baby trying to find me
Cause all you people belong behind me

Million miles an hour down a dead end street
I'm a speed machine
When you race with the devil be faster then hell
Can you feel what I mean

The world's moving too damn slow
Wind me up and watch me go
The world's moving too damn slow
Wind me up and watch me go

Million miles an hour down a dead end street
I'm a speed machine
One bad mother unlike any other you ever seen

The world's moving too damn slow
Wind me up and watch me go
The world's moving too damn slow
Wind me up and watch me go

Hey I'm already gone and on
And on and on and on

Cause I'm a speed machine
Baby baby baby yeah
I'm a speed machine
Come on baby yeah
I'm a speed machine
Baby baby baby yeah
Cause I'm a speed machine
