

## Comeback

Nasri

I can feel in my heart that you wanna be my girl  
So many tears in my...  
I don't know here you are  
I lost my inspiration  
I hate this situation  
I'm trying to be patient  
But it's so hard  
You should come back  
Come back to the one you love  
Baby come back, come back to my...  
I miss you, I miss your love  
I wanna feel your touch I miss your eyes  
You should come back  
My friends see how I feel  
Cuz it's all over my face  
I try to smile but it's too weird  
And I just can't hide it  
My heart can't feel the distance  
And I don't know how to face this  
I only feel resistance and it's killing me  
You should come back  
Come back to the one you love  
Baby come back, come back to my open...  
I miss you, I miss your love  
I wanna feel your touch I miss your eyes  
You should come back  
Come back, come back, tell me,  
Come back, come back, come back
