

Girlfriends

Nasri

This is for the girls
Who came out with their girlfriends
Yeah

I've been looking at you
For the last three songs
Tell me how you got more beautiful?
I wanna kick it with you all night long
But I can't do it standing from here (So)

I'm moving closer
Cause I wanna know ya
And I noticed that you're not alone (You're not alone)
You're with your [?]
Back at your birthday
DJ play the record where they do say

This is for the girls
Who came out with their girlfriends
Looking for some boys
Who are looking for some girlfriends
I came with my crew
So what you wanna do?
We can be your boyfriends
You can be our girlfriends

Oh oh ah
Let's put it together now
Oh oh ah
So we can get down
Oh oh ah
DJ play it for me

Eh, I'm in your pockets
I'm, feeling so good right now
We are taking over the whole crowd
