

## Fatal Search

Nasum

Millions of human lives to sacrifice  
They were born to die, now they're dead at last  
Millions of human lives to sacrifice  
Born to die

Wished for death, all their lives  
Searching for truth on the other side  
Darkened souls to purify  
Dead and buried

Millions of human lives to sacrifice  
They were born to die, now they're dead at last  
Millions of human lives to sacrifice  
Born to die
