

## Forced Opinion

Nasum

It's time to make up my mind  
and let my opinion be heard  
but if I vote against it  
they say I'll enter the blind world

It's a hard decision  
make no mistakes  
their weird opinions  
forced...

What's the price of independence  
whatever happened to freedom of choice  
do we really need a third union?  
Now I must raise my voice...

It's a hard decision  
make no mistakes  
their weird opinions  
forced...
