

# The Masked Face

Nasum

Picture a masked face  
Painted black with shining teeth  
Unmask the image  
Realize - you stare into a mirror!

Denude - the masked face  
Free yourself from the illusion

Refine the reflection  
Re-establish the fundamentals  
Wash away the filth  
Purify - your head is clogged with doubt!

Denude - the masked face  
Free yourself from the illusion

The masked face!
