Anytime, Anyday, Anywhere

Nat King Cole

Anytime, any day, anywhere
Say the word, you'd be heard
I'll be there

Makes no difference where it leads me
I'll come running if you need me
Anytime, any day, anywhere

It makes no difference where it leads me
I'll come running if you need me
Anytime, any day, anywhere
Anytime, any day, anywhere
Any day, anywhere

Anytime, any day, anywhere
Say the word, you'd be heard
I'll be there
Anytime, any day, anywhere
