

# I Hear Music

Nat King Cole

I hear music  
Mighty fine music  
The murmur of a morning breeze up there  
The rattle of the milkman on the stair

Sure that's music  
Mighty fine music  
The singing of a sparrow in the sky  
The perking of the coffee right near by  
There's my favorite melody  
You, my angel, phoning me

I hear music  
Mighty fine music  
And anytime I think my world is wrong  
I get me out of bed and sing this song

I hear music  
Mighty fine music  
The murmur of a morning breeze up there  
The rattle of the milkman on the stair

Sure that's music  
Mighty fine music  
The singing of a sparrow in the sky  
The perking of the coffee right near by  
There's my favorite melody  
You, my angel, phoning me

I hear music  
Mighty fine music  
And anytime I think my world is wrong  
I get me out of bed and sing this song
