

I Know That You Know

Nat King Cole

I know that you know
That I'll go where you go
I choose you, won't lose you
I wish you knew how much I long
To hold you in my arms

This time is my time
Will soon be goodbye time
Then in the star light, hold me tight
With one more little kiss
Say, nighty night

I know that you know
That I'll go where you go
I choose you, won't lose you
I wish you knew how much I long
To hold you in my arms

This time is my time
Will soon be goodbye time
Then in the star light, hold me tight
With one more little kiss
Say, nighty night
