

# I Wish You Love

Nat King Cole

Goodbye, no use leading with our chins, this is where our  
story ends  
Never lovers, ever friends

Goodbye, let our hearts call it a day, but before you  
walk away  
I sincerely want to say

I wish you bluebirds in the spring, to give your heart a  
song to sing  
And then a kiss, but more than this, I wish you love

And in July, a lemonade to cool you in some leafy glade  
I wish you health and more than wealth, I wish you love

My breaking heart and I agree that you and I could never  
be  
So with my best, my very best, I set you free

I wish you shelter from the storm, a cozy fire to keep  
you warm  
Most of all, when snowflakes fall, I wish you love
