

Impossible

Nat King Cole

If they had ev - er told me
Ami7 Cdimi D9 Bm7/5- E7
How sweet a kiss could be,
I would have said, "Im - pos - si - ble,
Im - pos - si - ble for me."
And if they said I'd find you
Ami7 Cdimi D9 Bm7/5- E7
Beyond the rain - bow's end,
I would have said, "Im - pos - si - ble,
Im - pos - si - ble, my friend."

To dream about what might have been
Is strange enough for me;
But now it seems I'm living in
E Bm7/5- Cdimi D9 D7
A dream too beau - ti - ful to be.
A dream too beau - ti - ful to be.

If they had said a moonbeam
Ami7 Cdimi D9 Bm7/5- E7
Could calm a stor - my sea,
I would have said, "Im - pos - si - ble,
Ami7 D7/9 Bm7/5- E7
But now at last I see
That nothing is im - pos - si - ble
If you are here with me.
