

Love Letters

Nat King Cole

The sky may be starless
The night may be moonless
But deep in my heart
I know that you love me
You love me, because you told me so

Love letters straight from your heart
Keep us so near while we're apart
I'm not alone in the night
When I can have all the love you write

I memorize every line
I kiss the name that you sign
And darling, then I read again
Right from the start
Love letters straight from your heart

I memorize every line
I kiss the name that you sign
And darling, then I read again
Right from the start
Love letters straight from your heart
