

## Love Letters

Nat King Cole

The sky may be starless  
The night may be moonless  
But deep in my heart  
I know that you love me  
You love me, because you told me so

Love letters straight from your heart  
Keep us so near while we`re apart  
I`m not alone in the night  
When I can have all the love you write

I memorize every line  
I kiss the name that you sign  
And darling, then I read again  
Right from the start  
Love letters straight from your heart

I memorize every line  
I kiss the name that you sign  
And darling, then I read again  
Right from the start  
Love letters straight from your heart
