My Heart Tells Me

Nat King Cole

My heart tells me this is just a fling Yet our love means everything Do you mean what you are saying Or is this a little game you're playing?

My heart tells me I will cry again Lips that kiss like yours, could lie again If I'm fool enough to see this through Will I be sorry if I do? Should I believe my heart or you?

My heart tells me that I will cry again Lips that kiss like yours, could lie again If I'm fool enough to see this through Will I be sorry if I do? Should I believe my heart or you?
