

## This Is Always

Nat King Cole

This isn't sometime, this is always  
This isn't maybe, this is always  
This is love, the real beginning of forever

This isn't just midsummer madness  
A passing glow, a moment's gladness  
Yes, it's love, I knew it on the night we met

You tied a string around my heart  
So how can I forget you?  
With every kiss I know that this is always

Yes, it's love, I knew it on the night we met  
You tied a string around my heart  
So how can I forget you?  
With every kiss I know that this is always, always,  
always
