To Whom It May Concern

Nat King Cole

To whom it may concern You've found another love, I know To whom it may concern My heart won't ever let you go

You tore my heart apart When you found somebody new But you found out that your heart Could be broken, too

So to whom it may concern You've learned that heartache has no pride Pretending unconcerned won't stop the tears You try to hide

And when you're all alone
With just a memory
That's when I'll bet, you'll learn
The one who's most concerned is me

And when you're all alone
With just a memory
That's when I'll bet, you'll learn
The one who's most concerned is me
