

# Too Much

Nat King Cole

There's nothing to say except that I need you too much  
There's nothing to say except that I thrill to your touch  
In this world things fade fast and today's love hurries fast  
But the real thing, yes the real thing will last

There's nothing to say except that I love you too much  
The beautiful things that everyone clings to are such  
So as long as I live I promise you I will give a little bit more  
But nothing less than too much

There's nothing to say except that I need you too much  
Too much  
There's nothing to say except that I thrill to your touch  
Your touch  
But the real thing, yes the real thing will last

There's nothing to say except that I love you too much  
Too much  
The beautiful things that everyone clings to are such  
So as long as I live I promise you I will give a little bit more  
But nothing less than too much
