

# When Your Lover Has Gone

Nat King Cole

When you're alone  
Who cares for starlit skies  
When you're alone  
The magic moonlight dies

At break of dawn  
There is no sunrise  
When your lover has gone

What lonely hours  
The evening shadows bring  
What lonely hours  
With memories lingering

Like faded flowers  
Life can't mean anything  
When your lover has gone

At break of dawn  
There is no sunrise  
When your lover has gone

What lonely hours  
The evening shadows bring  
What lonely hours  
With memories lingering

Like faded flowers  
Life can't mean anything  
When your lover, when your lover  
When your lover has gone
