You're My Everything

Nat King Cole

You're my everything Underneath the sun You're my everything Rolled up into one

You're my only dream
My only real reality
You're my idea
Of a perfect personality

You're my everything Everything I need You're the song I sing And the book I read

You're a way beyond belief And just to make it brief You're my winter, summer, spring My everything

You're my everything Everything I need You're the song I sing And the book I read

You're a way beyond belief And just to make it brief You're my winter, summer, spring My everything
