

Broke

Natalia Kills

Don't want your money
No dirty promise
Don't want the memories
That echoe in my head
You left me stranded
Caught you red handed
You tore my heart out
And left me here for dead

If I am giving
I'm giving up
I'm empty handed
You took enough

But if I had a dime for every single time
you ever made me cry
I'd be a millionaire
But if I had a dime for every single time
I should have said 'Goodbye'
I'd be a millionaire
But I don't cause you left me broke
But I don't cause you left me broke

My love is priceless
Can't buy my time back
So let's forget all our regrets
And keep the change
You don't define me
Only remind me
I'd rather beg than live that lie
with you again

If I am giving
I'm giving up
I'm empty handed
You took enough

But if I had a dime for every single time
you ever made me cry
I'd be a millionaire
But if I had a dime for every single time
I should have said 'Goodbye'
I'd be a millionaire
But I don't cause you left me broke
But I don't cause you left me broke

You had it all
But all I am is not enough
So I'm taking back my heart
I'm richer without you
With nothing, nothing, nothing

But if I had a dime for every single time
you ever made me cry
I'd be a millionaire
But if I had a dime for every single time
I should have said 'Goodbye'

I'd be a millionaire
But I don't, don't
But I don't, don't
'Cause you left me broke
You know you left me broke
But I don't, don't
