

# Daddy's Girl

Natalia Kills

Rich girl, and you've gone too far  
Cause you know it don't matter anyway  
You can rely on the old man's money  
You can rely on the old man's money  
It's a bitch, girl, but it's going too far  
Cause you know it don't matter anyway  
Say money, money won't get you too far, get you too far

You messed up, yeah you messed up bad,  
Rolled the dice on the life we had,  
Played your tough guy game, you threw it all away...  
(Money money)  
We had diamonds and we had pearls,  
Champagne life like a daddy's girl,  
But the risks you take ain't worth the price you pay...

I'll keep your secrets, I'll never tell,  
You know I'll ride with you right through the fire of hell...  
They got your number, but you're safe with me,  
Even if they lock you up and throw away the key

You know...  
I'll be there whenever you call  
Oh I'll be there whenever you call  
Oh no, I'll never let you down  
I hear your voice aloud in my heart  
Oh no, they'll never keep us apart  
Oh no, I'll never let you down

Rich girl got that bad boy love  
Rich girl better run, run, run  
Rich girl got that bad boy love  
Rich girl keep running, running...

Mansion, ransom, gangster man,  
Can't wipe that blood right off your hands,  
Your Scarface heart ain't stopped me loving you babe...  
(Money money)  
Con-man, wrong plan, how you fall,  
Got no more cash stashed in your walls,  
The Repo man got debts for your soul to pay.

Do I look pretty through all your tears?  
Can your diamond Rolex count the goddamn years?  
Was it worth it? Don't you miss me bad?  
Too late to trade it all for that one last chance.

You know...  
I'll be there whenever you call  
Oh I'll be there whenever you call  
Oh no, I'll never let you down  
I hear your voice aloud in my heart  
Oh no, they'll never keep us apart  
Oh no, I'll never let you down

Let them take it all away  
The sweet Rosé, the Cartier,

To stop the warden call your name  
I'd give you all my freedom babe,  
I love you right, I love you wrong,  
When all our luck and money's gone,  
Cause they don't know you like I know  
I'd never let you down

Rich girl got that bad boy love  
Rich girl better run, run, run  
Rich girl got that bad boy love  
Rich girl keep running, running...  
Rich girl got that bad boy love  
Rich girl better run, run, run  
Rich girl, rich girl  
I'll never let you down!

I'll be there whenever you call  
Oh I'll be there whenever you call  
Oh no, I'll never let you down  
I hear your voice aloud in my heart  
Oh no, they'll never keep us apart  
Oh no, I'll never let you down
