

# Mirrors

Natalia Kills

1. Shut your mouth and close the door  
I wanna, watch you while you take it off  
I'm gonna, take a blindfold put it on  
And then I, drop the letter to the floor  
I SAID SHUT UP!
  
- R: Turning the lights out,  
Burnin' the candles  
And the mirrors gon' fog tonight!  
Turning the lights out,  
Tighten the handcuffs  
And the mirrors gon' fog tonight!
  
2. My styletto on your neck  
Until i, tie your hands above the bed,  
Youve got to, but boy dont pull the trigger yet  
Nanana, I havent reloaded the clip  
No matter
  
3. Squeeze, hot, hold that pose  
You know I like it do it, sweetheart, im the boss  
I'll let you get close to it  
Im gonna make tonight a show  
Oh oh  
I'll make your love grenade explode, nanana

R: Turning the lights out... (2x)

\*: Sex, love, control, vanity  
Sex, love, control, vanity  
Sex, love, control, vanity  
(and the mirrors gonna fall tonight)  
Sex, love, control, vanity  
(and the mirrors gonna fall tonight)  
Sex, love, control, vanity  
(and the mirrors gonna fall tonight)  
Sex, love, control, vanity  
(the mirrors gon' fog tonight)  
Vanity, vanity

4. Squeeze, hot, hold that pose  
You know I like it do it sweetheart, im the boss  
I'll let you get close to it  
Im gonna make tonight a show  
Oh oh  
I'll make your love grenade explode, nanana

R: Turning the lights out... (2x)
