

# Wonderland

Natalia Kills

[Verse:]

I'm not Snow White,  
but I'm lost inside this forest.  
I'm not Red Riding Hood,  
but I think the wolves have got me.  
Don't want your stilettos!  
I'm not, not Cinderella..  
I don't need a knight,  
so baby take off all your armor!  
You be the beast,  
and I'll be the beauty beauty.  
Who needs true love,  
as long as you love me truly?  
I want it all,  
but I want ya more!  
Will you wake me up boy  
if I bite your poison apple?

[Bridge:]

I don't believe in fairy tales..  
I don't believe in fairy tales..  
I don't believe in fairy tales,  
but I believe in you and me!

[Chorus:]

Take me ta' wonderland!  
take me ta' take me ta'  
take me ta' wonderland!  
take me ta' take me ta'  
take me ta' wonderland!  
take me ta' take me ta'  
take me ta' wonderland!  
Wonderland wonderland!

[Verse:]

When I lay my head down  
to go to sleep at night..  
My dreams consist of things  
that'll make you wanna hide.  
Don't let me in ya your tower.  
Show me your magic powers!  
I'm not afraid to face  
a little bit of danger, danger!  
I want the love,  
the money and the perfect ending  
You want the same as I, I.  
So stop pretending!  
I wanna show you how  
good we could be together..  
I wanna love you through the night,  
we'll be a sweet disaster!
