

# Heartbreaker

Natalia Kukulska

I've got to say it and it's hard for me  
You got me crying like I thought  
I would never be  
Love is believing but you let me down  
How can I love you  
When you ain't around  
And I get to the mourning  
And you never call  
Love should be everything or not at all  
And it don't metter whatever you do  
I made some lies but I'm still loving you  
Only to find it the dream  
That I follow is dying  
I'm crying in the rain  
After this searching my world  
For a love everlasting  
Feeling no pain  
When will we meet again

Why do you have to be a heartbreaker  
Is it a lesson that I never knew  
I gotta ger out of the spell  
That I'm under  
My love for you  
Why do you have to be a heartbreaker  
When i was being what you want me to be  
Suddenly everything I've ever wanted has passed me by  
This world may end  
Not you and I

My love is stronger than athe universe  
My soul is crying for you and that cannot be reversed  
You've made the rules and you could not see  
You've made a laugh out of hurting me  
Out of all my dying heldby the power of your love  
Tell me when do we try  
Or should we say goodbye

Why do you have to be a heartbreaker  
Is it a lesson that I never knew  
I gotta ger out of the spell  
That I'm under  
My love for you  
Why do you have to be a heartbreaker  
When i was being what you want me to be  
Suddenly everything I've ever wanted has passed me by  
This world may end  
Not you and I
