

## Second Chance

Natalia Kukulska

Stop!  
Don't hasitate!  
If U wanna dance, Get on it !  
Stop!  
don't hasitate!  
If U wanna dance, get on, U'd better  
Stop!  
Don't hasitate!  
If U wanna dance, Come on, U gonna reach the top!  
Stop!  
Don't hasitate  
If U wanna dance...

Just give yourself a second chance  
and open up your soul like U did before  
Just give yourself a second chance  
and open up your soul  
to learn to let it go

Stop!  
Don't hasitate!  
If U wanna dance, Get on it !  
Stop!  
Don't hasitate!  
If U wanna dance...

The fight is over  
your ready to live  
so what are you waitin for  
just go and get it !  
Don't hasitate!  
If U wanna dance...

Just give yourself a second chance  
and open up your soul  
like U did before  
Just give yourself a second chance  
and open up your soul  
to learn to let it go
