

Look Outside

Natalia Lafourcade

I've got my red shoes on.
I decided to go into the woods with you.
I've got some tomatoes in my bag.
I have my headphones, napkins,
and your books...

Give me your hands
Give me your hands boy...
Give me your arms,
Give me your whole heart!

Look, look at the blue sky!
Look, look at the blue sky!

I've got all your lyrics in my book.
I've decided to lay on the grass
and read to you.
I've got some tomatoes in my bag.
I've decided to go into the woods
and be with you...

Look outside,
there is nobody
waiting for us.
Look outside!

Look outside!!!
