

# That Girl

Natalia Lesz

I don't know this girl  
I can tell for sure  
But this girl is making me want to see past the mystery  
Did she touch my hand  
Is it in my head (Don't know)  
But this girl is making me want to see past the mystery  
Oh oh oh oh oh oh oh oh

Red lights  
Dress tight  
Scent of perfume  
When she walks to the room  
Soft lips  
Sweet hips  
She lets them sway  
In a curious way

She is taking over  
I wanna know her  
I don't know what to say  
I've never been that way  
I can't explain it  
Don't wanna tame it  
I'm not the risky type  
But I might try tonight

I don't know this girl  
I can tell for sure  
But this girl is making me want to see past the mystery  
Did she touch my hand  
Is it in my head (Don't know)  
But this girl is making me want to see past the mystery  
Oh oh oh oh oh oh oh oh

We dance  
I'm entranced  
I let her lead the way  
This girl she likes to play  
So close  
I let go  
The feeling's growing strong  
Let's keep it moving on

She is taking over  
I wanna know her  
I don't know what to say  
I've never been that way  
I can't explain it  
Don't wanna tame it  
I'm not the risky type  
But I might try tonight

I don't know this girl  
I can tell for sure

But this girl is making me want to see past the mystery  
Did she touch my hand  
Is it in my head (Don't know)  
But this girl is making me want to see past the mystery  
Oh oh oh oh oh oh oh oh

Let's get free tonight  
Everyone get high  
Let's get free tonight  
Everything's alright /x2

I don't know this girl  
I can tell for sure  
But this girl is making me want to see past the mystery  
Did she touch my hand  
Is it in my head (Don't know)  
But this girl is making me want to see past the mystery  
Oh oh oh oh
