

Appetite For Love

Natalia

I've been waiting for so long, baby
'Cause all I need is to be with you
I guess we're all looking for somebody
To hold in this world that's so cruel

I have this appetite for love
We can tear me apart
All I need's just something, someone we can trust in
I'll be running out of turns
To just say the kind of things
But my heart wants to say

Give me joy, give me soul, give me pain
Give me hope, give me sun, give me rain
Give me all, baby, all that you can
Give me love, give me love

Give me joy, give me soul, give me pain
Give me hope, give me sun, give me rain
Give me all, baby, show me you care
Give me love, give me love

So lose yourself if you feel me, baby
'Cause all you need is to speak your heart
You should know someone's waiting for you baby
And this day, don't forget what you want, what you are

Ooh, ooh, no

Give me joy, give me soul, give me pain
Give me hope, give me sun, give me rain
Give me all, baby, all that you can
Give me love, give me love

Give me joy, give me soul, give me pain
Give me hope, give me sun, give me rain
Give me all, baby, show me you care
Give me love, give me love

Ooh, ooh, ooh

Give me joy, give me soul, give me pain
Give me hope, give me sun, give me rain
Give me all, baby, all that you can
Give me love, give me love

Give me joy, give me soul, give me pain
Give me hope, give me sun, give me rain
Give me all, baby, show me you care
Give me love, give me love

Give me love
