For once in my life I wont let sorrow hurt me Not like it's hurt me before For once I have something I know wont desert me Im not alone anymore For once I say This is mine you can't take it As long as I know I have love I can make it For once in my life I have someone who needs me For once in my life I have someone who needs me Someone Ive needed so long For once unafraid I can go where life leads me Somehow I know I'll be strong For once I can touch What my heart used to dream of Long before I knew Oh someone warm like you Would make my dreams come true Yeah yeah, yeah For once in my life I wont let sorrow hurt me Not like it's hurt me before For once I have something I know wont desert me Im not alone anymore For once I say This is mine you can't take it As long as I know I have love I can make it For once in my life I have someone who needs me For once in my life I wont let sorrow hurt me Not like it's hurt me before For once I have something I know wont desert me Im not alone anymore For once I say This is mine you can't take it As long as I know I have love I can't take it For once in my life I have someone who needs me For once in my life
