## Without You

No I can't forget this evening Or your face as you were leaving But I guess that's just the way the story goes You always smile but in your eyes your sorrow shows Yes it shows No I can't forget tomorrow When I think of all my sorrow When I had you there but then I let you go And now it's only fair that I should let you know What you should know I can't live If living is without you I can't live I can't give anymore I can't live If living is without you I can't give I can't give anymore Well I can't forget this evening Nor your face as you were leaving But I guess that's just the way the story goes You always smile but in your eyes your sorrow shows Yes it shows I can't live If living is without you I can't live I can't give anymore I can't live If living is without you I can't live I can't give anymore (No I can't live) (No I can't live) I can't live (No I can't live) (No I can't live) If living is without you I can't live without you
