

Calling You

Natalie Cole

Desert road from Vegas to nowhere
Some place better than where you've been
A coffee machine that needs some fixing
In a little cafe' just around the bend
I am calling you, Can't you hear me
I am calling you
A hot dry wind blows right through me
The baby's crying and I can't sleep
But we both know that a change is coming
Coming closer, sweet release
And I am calling you, can you hear me
I am calling you
Oooh, yeah

Desert road from Vegas to nowhere
Somewhere better than where you've been
But we both know that a change is coming
Coming closer around the bend
And I am calling you, don't you hear me
I am calling you
I, honey, I'm calling, I'm calling, I'm calling you
I know you hear me
I am calling you
Mmm, hmm
