Coffee Time

Natalie Cole

Coffee time
My dreamy friend
It's coffee time
Let's sing
This silly
Little rhyme
And have
A cup of coffee

Java time
My happy chum
Let's have a time
We'll celebrate
For just a dime
And have
A cup of coffee

Greetin' time
The music box
Is beatin' time
It's good
Old-fashioned
Meetin' time
We're in the pink
So come and clink
And let's drink
A cup of coffee

Coffee time
My dreamy friend
It's coffee time
Let's sing
This silly
Little rhyme
And have
A cup of coffee

Coffee time
My dreamy friend
It's coffee time
Let's sing
This silly
Little rhyme
And have
A cup of coffee
And have
A cup of coffee
And have
A cup of coffee
And have
A cup of coffee
