

# Cry Me a River

Natalie Cole

Now you say you're lonely  
You cry the long night through  
Well, you can cry me a river  
Cry me a river  
I cried a river over you

Now you say you're sorry  
For bein' so untrue  
Well you can cry me a river  
Cry me a river  
I cried a river over you

You drove me nearly drove me out of my head  
While you never shed a tear  
Remember? I remember all that you said  
Told me love was too plebeian  
Told me you were through with me and,  
Now you say you love me  
Well just to prove (that) you do  
Come on and cry me a river  
Cry me a river  
I cried a river over you

Well you told me love was too plebeian  
Told me you were through with me and  
Now you say that you love me  
Well just to prove that you do  
Come on and cry me a river  
I wanna see a river  
'Cause I cried a river over you

I cried a river over you  
I cried a river over you  
Though that I would lose my mind  
I cried a river over you  
Really is a shame, and you're to blame  
I cried a river over you  
I cried a river over you  
I'm crying, I'm cryin', I'm cryin'  
I cried a river over you  
I cried a river over you  
I cried a river over you  
I cried a river over you
