## **Grown-Up Christmas List**

## **Natalie Cole**

Do you remember me?
I sat upon your knee, I wrote to you
With childhood fantasies
Well, I'm all grown up now
Can you still help somehow

I'm not a child but my heart still can dream So here's my lifelong wish My grown-up Christmas list Not for myself but for a world in need

No more lives torn apart That wars would never start And time would heal all hearts Every man would have a friend

That right would always win
And love would never end
This is my grown-up Christmas list
What is this illusion called

The innocence of youth
Maybe only in their blind belief
Can we ever find the truth
There'd be no more lives torn apart
And wars would never start

And time would heal all hearts Every man would have a friend And right would always win And love would never end

This is my grown-up Christmas list This is my only lifelong wish This is my grown-up Christmas list Hoo, hoo
